The other day I got four numbers, I had three numbers. I bet uh 2579, 83525, my wife's number. You know numbers come out day and night. Three numbers at night and three numbers during the day. 20, 30, 34 dollars. I was hoping I could get something with Sandro, I went by Jackie yesterday to try to get some money. But John's crew man, they're going crazy with John's crew. They took two guys down.

CW: No shit.

ASARO: Yeah.

CW: For what Vin?

ASARO: Two jerkoffs. I had a beef with both of them. Two jerkoffs. They both owed me money. One guy $700, the other guy $4500.

CW: By Frank?

ASARO: Yeah, I made a big beef. I went and I seen uh, I seen uh somebody and I made a fucking uh beef.

CW: I thought he said he was gonna give you the money.

ASARO: Who?

CW: The $4500.

ASARO: Gar, he don't wanna give it to me. He don't wanna pay.

CW: Nobody wants to pay.

ASARO: No shit. (pause) Nobody wants to pay. Went by Jackie yesterday, he's on vacation. I think my son lost his fucking mind. Motherfucker ain't called me once since he's home. I'm telling you I never fucking thought, I never thought he would turn out, I never fucking ever ever ever fucking thought he would turn out to be such a scumbag. What a fucking scumbag he turned out to be.

CW: He's not doing nothing, man. He don't want- I don't know, I don't know, Vin.

ASARO: Don't, don't- then why do you say you don't know. Don't even say nothing then. Who's not doing nothing? Who's not doing nothing?

CW: He wants to stay alone. He don't want nobody around.

ASARO: He knows how to get money. Who bothers him? Who bothers him?

CW: I don't know. I don't know.

ASARO: So what are you talking about? He wants to stay alone, nobody around. (pause)

(Clip 5)

ASARO: Yeah, I went by Jackie yesterday. He's not there, he's on vacation.

CW: What? He went some place?

ASARO: Who the fuck knows? He's got a fucking zillion dollars. He built a mansion up there. A fucking mansion.

CW: Oh, that's right. I forgot he moved up there. (pause) I got that fish you know.

ASARO: Yeah, not this Sunday, next Sunday I'm gonna take it, before. I'll take it Friday night.

CW: You want the crabs too?

ASARO: Yeah, everything. The fish, the crabs. I wanna cook the fish the weekend that the kids are going away. I'm gonna go there and ask Teri for money. She won't give it to me. I don't even know if she's got it. I don't know. I heard a lot of things. She lent Dawn and Kenny a lot of money and I don't know. I heard she had a big fight with them.

CW: She'll turn around and say something to Jerry.

ASARO: Jerry! Who the fuck- she don't, he don't bother his mother, he don't even call his mother.

CW: Her either?

ASARO: He don't call nobody. He don't call his kids, he don't call nobody. He's a fucking scumbag. I told you I had permission from the boss to ask him for $5,000. "No, I ain't doing that there." I says, "you got the money," I said. "They told me to ask you." Understand? "No, I ain't doing that. I ain't doing that," he says. You fucking scumbag motherfucker.

CW: Yeah, but if that guy says it-

ASARO: Gar, what do you want from me? You think I'm gonna put myself in a position now and go back and tell the guy-

CW: How could he- No.

ASARO: And he's gonna say, "It's your son, if he don't wanna give it to you," you know what I'm saying, I look like a scumbag.

ASARO: No, I'm not sitting down with them. I'm just gonna make the introduction and I'm walking out. It's none of my business. (pause) Bam, I got $500 off him last week, I can't ask him for money.

CW: What?

ASARO: I says last week with Bam. I made a big-he abused the shit out of fucking Sandro, I heard.

CW: Who, Bam?

ASARO: Yeah, he said, "Jerry told me to do it." I said if he straightens him out, he's really gotta be the biggest fucking asshole that God ever made. If he straightens him out- He's gonna go to jail, he straightens him out. He's gonna go to jail. When I said it that time, oh he jumped over, "what are you outta your fucking mind?" Boy, he fucking changed boy.

(Clip 7)

ASARO: Not a fucking penny, not a fucking dime. Can't get no money. Jesus fucking Christ. My son's a real scumbag.

CW: Why didn't Bam uh-

ASARO: What a fuck boy, he broke my fucking heart. I straightened him out, I got him a job. $400 a week. He didn't do nothing. The kid Anthony did it all the time, went around collecting the money. $400 a week doing nothing. $400. I gave him the fence company, I straightened him out. I got him 10, he, "Dad I need $10,000," I got the 10,000 for him. This fucking scumbag. I split the fucking Carvel 50/50 with him. He put up $17,000, he got $300 something thousand. I got fucking-oh go fuck it. What's the sense? What's the fucking sense? Fucking scumbags. Fucking scumbags.

CW: Well why did he, why did Bam abuse Sandro?

ASARO: He owes him $30 fucking thousand.

CW: Oh, but still, I mean how could the fuck could he-

ASARO: He owes him $30 fucking thousand. We're here, that's it. Oh, I fucking see Sandro.

Oh you're here. I'll leave it on for you.

CW: Oh, you're here?

ASARO: (out of car, slams door)

(Clip 8)

ASARO: There's that fucking Dominick. I was there yesterday. He can't give me anything. I didn't ask him though, I couldn't even ask Sandro. (UI) I don't have any money, what am I gonna do? I gotta get $3,000 to pay this fucking- I had a fight with Michelle, I ain't seen her in six days, seven days.

CW: Why do you fight with her? You know-

ASARO: I know what?

CW: Well you know the guy, you gotta give him $3,000. He might turn-

ASARO: Gar, fuck her! She says, she says something to me and I says, "Oh," she says, "you talk right over me." And then she hung up. Fuck you! Who the fuck are you talk to you. Motherfucker you. Fuck you! Fuck her.

CW: Yeah, but she's good-

ASARO: Fucking abusing me. I'm gonna kill this guy, this Funzi. Fucking motherfucker. Abusing me. Fucking Jerry won't give me $5,000. Like it's his fucking- "Oh, I ain't doing that." I didn't say a fucking word. Not a fucking- wanna know Gar? I should die in my mother and father's grave. I knew he wasn't gonna give it to me. I knew it.

CW: I don't know what the fuck that is.

ASARO: That fucking Jackie's a fucking- he's been good to me– what am I gonna do? Ah, you know when you fuck- have a hard on for somebody. They give you, they give you, they give you, then that one time they don't give it to you, they're motherfuckers.

ASARO: I'm sure Jerry sees him. I'm sure they see each other. He gets a package off him.

CW: You su-I'm sure too. But how are you fucking, I mean when you wrote to me, remember that letter you wrote when you were away? I was in Vegas, that nobody talked to you, the girls, your son. Ever since then, what the fuck happened?

ASARO: Not only me. He don't talk to his own kids. He don't call his own kids. He don't call nobody. He don't call his own wife, his mother. Very strange. I think that fuck-I think he had a nervous breakdown, that's what I think. That's what the fuck I think. I do more running around for them. I just told Sandro. I says, "Listen to me," I says, "I know Jackie's on parole, understand? I don't let him run around. I do all the running around." This beef, this b- they don't go to them. They come and see me. They don't go there. Mike Padavona, Mike Palmaccio, same thing, they gotta a beef, I take care of it.

CW: I know, I know, you-

ASARO: They don't go running nowhere.

CW: That's what I'm saying. You do the whole, if yous out of the fucking picture, say, "No I don't wanna go," which you could say, right?

ASARO: Of course I could say it. None of my business, I'd tell them.

CW: Then what the fuck do they do? Then what?

ASARO: Well, I remember everybody I owe money to.

CW: Yeah, because you paid them, I don't.

ASARO: Gar! How could you take money off people you don't remember?

CW: I don't remember. I think his wife gave me money.

ASARO: His wife?

CW: Yeah.

ASARO: How?

CW: Uh, he didn't have it, he said uh, yeah, Jenny.

ASARO: How much?

CW: Oh, it was only a coupla thousand. And he says, uh- cause he didn't charge me. He says, "Jenny," he says, "just, Jenny," he says, "you give it to her every week" and I gave her some stuff, some, you know I didn't give it all.

ASARO: Ah, forget about it. What's the difference? Boy, you really are a cocksucker. You really are.

CW: Why, he's gonna remember Vin?

ASARO: Ciro? Yeah!

CW: So many fucking years ago. I was a fucking kid.
